

T-Shirt Memory Quilts Cost Estimate Calculator

*Innova Dealer Showrooms and Training Centers
Oilville, Virginia ~ Greenville, South Carolina*

Please note: *The information shown below only provides an estimate of what your project may cost. The final cost may be different depending upon additional options chosen. Feel free to call us if you have any questions.*

\$25.00 per t-shirt block and includes the following:

Design fees, labor, fusible interfacing to reinforce the t-shirts, batting, backing, thread, quilting with an all-over quilting pattern, and full hand-whipped binding. You supply the t-shirts, and we will take care of the rest and deliver to you a finished Memory Quilt that will be treasured for years to come.

Number of T-Shirt Blocks:	Approximate Finished Size:	Estimated Cost:	
		From	To
12	Small Throw	\$300	\$325
16	60 x 60	\$400	\$425
20	60 x 75	\$500	\$525
25	75 x 75	\$625	\$650
30	75 x 90	\$750	\$775
36	90 x 90	\$900	\$925
42	90 x 105	\$1,050	\$1,075

Adding a border—\$30 to \$60, depending on size of the quilt

Delivery: Memory quilts typically are completed in about 3 months. However, we recommend scheduling ahead during the busy graduation and holiday seasons to insure timely delivery of your completed project.

T-Shirt Preparation: (1) DO NOT cut t-shirts—we will do that for you; (2) Wash/laundry t-shirts; (3) Remove any buttons or embellishments; they can be reattached after completion; and (4) Bring or mail/ship them to our showroom.

*We take pride in creating the perfect “memory” and thank you
for entrusting yours to us.*
